

Before arriving at the Club:

1. **DO NOT** travel if you have been exposed to Covid in the last 5 days
2. If you’ve recently had Covid, please do not come to the Club until you no longer have symptoms, satisfied the quarantine or have a negative Covid test

At the Club:

1. We expect members and guests to let us know if you have any symptoms and to quarantine yourself. Do not spread it to others and inform anyone you may have had contact with during your stay.
2. Tests will be available for sale at the front desk if you would like one.
3. Notify the front desk immediately if you are positive.

If exposed:

1. Inform Front Desk
2. Exercise extra caution while using club facilities; mask and social distance, even outside, when not in your room or isolated
3. If negative, vaccinated, **and** asymptomatic - resume regular activity, remain cautious, wear a mask
4. If positive **or** symptomatic – notify the Front Desk and begin 5-day quarantine from start of symptoms or positive test result, or leave Club property

Exposure definition: close contact with a person for more than 15 cumulative minutes in a 24 hour period

Symptoms:

Fever or Chills	Cough
Shortness of breath	Fatigue
Muscle or body aches	Headache
New loss of taste or smell	Sore throat
Congestion or runny nose	Nausea, vomiting or diarrhea

If positive:

1. Inform Front Desk
2. Quarantine for 5 days and test again or leave Club property
3. Mask and social distance at all times, even when outside, and follow these protocols:

YOU MAY:

- Go outside
- Go to the beach (as long as you stay away from others and wear your mask while moving from place to place, or when within 6 feet of other members and guests)
- Have room service in your room or make arrangements for it to be delivered to an area outside and away from regular dining areas

YOU MAY NOT:

- Be in any indoor public area. Public areas are any dining area, lounge, living room, library, fitness center, Nana’s Cottage, Hibiscus Shop, Tennis Shop, etc.
- Join in any activity with other members (including tennis, croquet, golf, etc.) unless they wish to become part of your “pod,” in which case they will also be considered positive and have the same testing and isolation requirements.

Hillsboro Club appreciates everyone’s participation, understanding, and respect to follow the guidelines above to minimize the risk to all members, guests and staff.
